Agile

Epic Link: 5.0 Admin Module

Description

Preconditions:

1. User and valid password.
2. A job title must be defined in the PIM module.
3. The file with Job Description is loaded into the system.

Test steps:

1. Enter the application <https://opensource-demo.orangehrmlive.com/web/index.php/admin/viewSystemUsers> ;
2. Select the "Admin" module from the left corner of the application;
3. Select from the top left "Job".
4. Access "Job Titles".
5. Go to the list and choose a job title with specification file and open it by pressing the edit button.
6. Go to Job Specification field.
7. Check the box next to delete.
8. Press "Save".

Expected result:

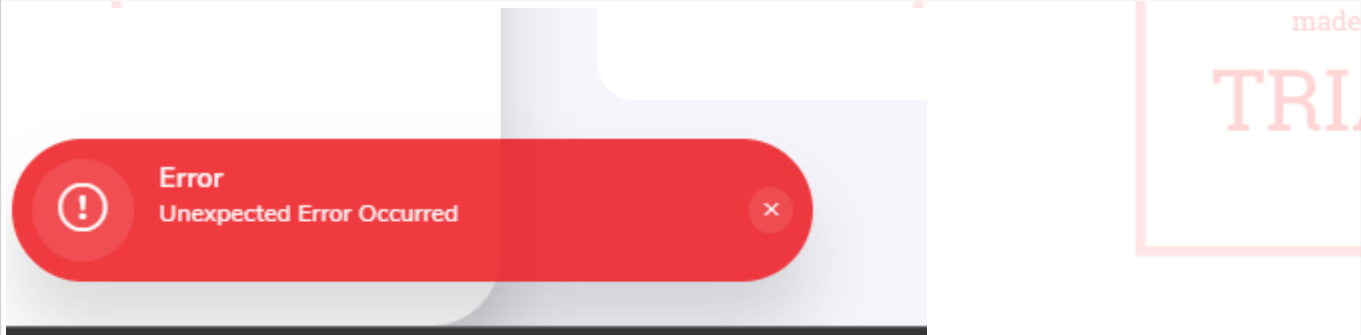

Uploaded job description files can be deleted by the HR Admin.

Actual result:

The system sends an error message and the action cannot be completed and page still loading.
