Agile

Epic Name: 5.0 Admin Module

Description

The Admin Module provides you with full control of all settings that affect the action of your OrangeHRM implementation.

Through the Admin Module, you can:

- Define the company hierarchy, pay grades, work shifts, projects, memberships, qualifications etc.
- Add other administrators, and set access levels for each user
- Handle security issues
- Configure email notifications
- Configure language localization and date format that will be reflected throughout the whole system.
- Enable/Disable Module display

The Admin Module is the central control of the system and setting it up accurately is important for smooth operation.

The Admin Module consists of:

Figure 1.1: Admin Module

User Management: Add multiple HR Admins who will control the system, create logins for general users through ESS Users.

Job: Allows the HR admin to define job titles, specifications, pay grades, employment status, job categories and work shifts.

Organization: Allows the HR admin to enter/store general company info, structure of the organization and locations of sites.

Qualifications: Define various skills set, education background, license types, languages and memberships.

Nationalities: Define different nationalities.

Configuration: Configure all email notifications, language localization and enable/disable module display.

Agile

Epic Link: 5.0 Admin Module

Description

This feature allows the HR Admin to administer users by creating logins and defining privileges by assigning User Types (Admin or ESS).

To add a system user, go to **Admin>> User Management>> Users** and click **“Add”**, a screen as shown in Figure 1.2 would appear.

Click **“Save”** once the fields are added.

***Note:** An employee list needs to be created first under the PIM Module to create user logins. Alternatively, a user login could be created when adding employees under the PIM Module (refer to Chapter 6.3.)

To create a user login the following needs to be entered:

- **User Role:** You can assign user roles for each user whether they would fall under as an “Admin” or “ESS” user type to define their user rights.

- **Admin:** have access full access to the system.

- **ESS:** limited access to the system. It could be an ESS-Supervisor or ESS-Employee.

1. ESS-Supervisor

: where the user has access to his/her particulars and his/her subordinates' particulars.

1. ESS-Employee

: where the user has access only to his/her particulars.

- **Employee Name** *If an HR Admin is an existing employee, he/she needs to be defined in the PIM Module

- Username
- Status – Enabled or disabled
- Password
- Confirm Password (Re-enter the password)

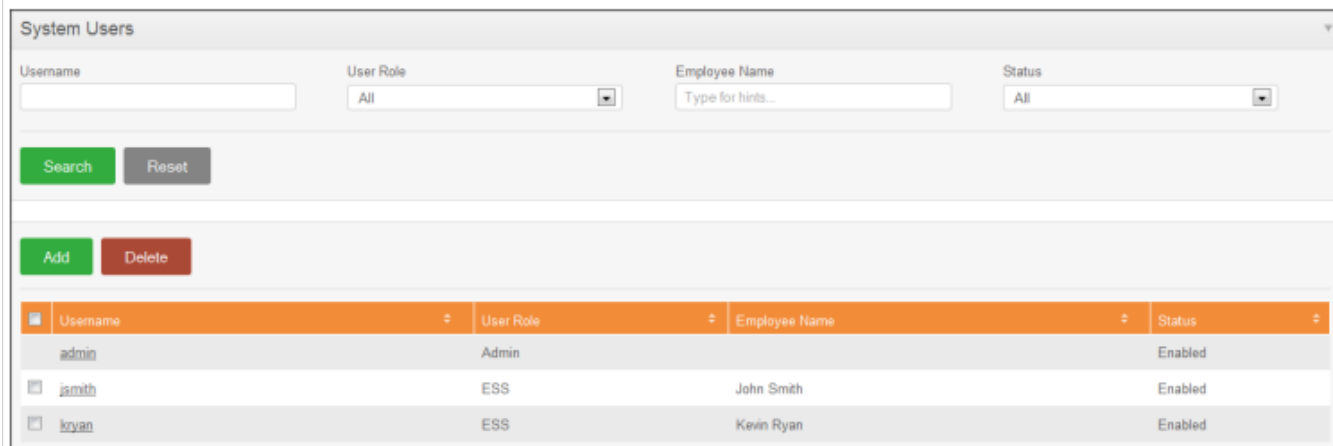

The 'Add User' form contains the following fields and controls:

- User Role ***: A dropdown menu with 'ESS' selected.
- Employee Name ***: A text input field.
- Username ***: A text input field.
- Status ***: A dropdown menu with 'Enabled' selected.
- Password ***: A text input field.
- Confirm Password ***: A text input field.
- * Required field**: A note indicating that fields with an asterisk are required.
- Save**: A green button.
- Cancel**: A grey button.

Figure 1.2: Add User

A list of user logins as shown in Figure 1.3 would appear once an entry is added. You may also add multiple entries of user logins. The default system user available will be Admin and has full access to the system.

***Note:** System User Logins need to be communicated manually to employees.

The 'System Users' interface includes a search bar and a table of users.

Search Bar:

- Username**: A text input field.
- User Role**: A dropdown menu with 'All' selected.
- Employee Name**: A text input field with placeholder text 'Type for hints...'.
- Status**: A dropdown menu with 'All' selected.
- Search**: A green button.
- Reset**: A grey button.

Buttons:

- Add**: A green button.
- Delete**: A red button.

Table:

	Username	User Role	Employee Name	Status
<input type="checkbox"/>	admin	Admin		Enabled
<input type="checkbox"/>	jsmith	ESS	John Smith	Enabled
<input type="checkbox"/>	kryan	ESS	Kevin Ryan	Enabled

Figure 1.3: System Users List

To delete a system user, click on the check box next to the "Username". It is also possible to delete multiple entries at the same time by clicking the check box entries you wish to delete and simply clicking "Delete".

Description

The HR Admin can define the pay grade by setting a minimum salary, maximum salary, step increase, and the currency to be paid in. To add an entry, go to Admin>>Job>> Pay Grades and click "Add" and a screen as shown in Figure 1.6 would appear. Click "Save" once the field is added.

Figure 1.6: Add Pay Grade

Once you click "Save" the screen in Figure 1.7 would appear and you can now define the currency and the minimum/maximum salary for each pay grade created. You can define the pay grade by clicking "Add" under "Assigned Currencies" and then providing the pay details under "Add Currency". Click "Save" to save the currency for the Pay Grade.

The screenshot shows the 'Edit Pay Grade' form. The 'Name' field is set to 'Level 3'. Below it are 'Edit' and 'Cancel' buttons. The 'Add Currency' section has three input fields: 'Currency' (set to 'USD - United States Dollar'), 'Minimum Salary' (set to '40000'), and 'Maximum Salary' (set to '50000'). There are 'Save' and 'Cancel' buttons at the bottom.

Figure 1.7: Assign Pay Grade

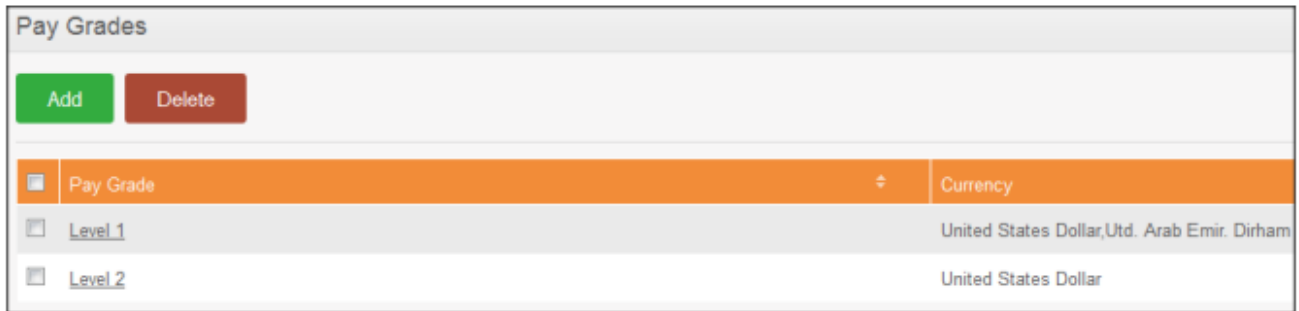

You can assign multiple currencies here and each currency defined will be listed as shown in Figure 1.8

The screenshot shows the 'Edit Pay Grade' form with the 'Assigned Currencies' section. It includes 'Add' and 'Delete' buttons. Below is a table with three columns: 'Currency', 'Minimum Salary', and 'Maximum Salary'. The table lists two currencies: 'United States Dollar' and 'Utd_Arab_Emir_Dirham'.

Currency	Minimum Salary	Maximum Salary
United States Dollar	40,000.00	50,000.00
Utd_Arab_Emir_Dirham	100,000.00	110,000.00

Figure 1.8: Pay Grade- Currency List

You can edit details of a particular currency by clicking on the "Currency" name. All pay grades added will be listed as shown in figure in 1.9. To view Pay Grade details click on "Pay Grade name".

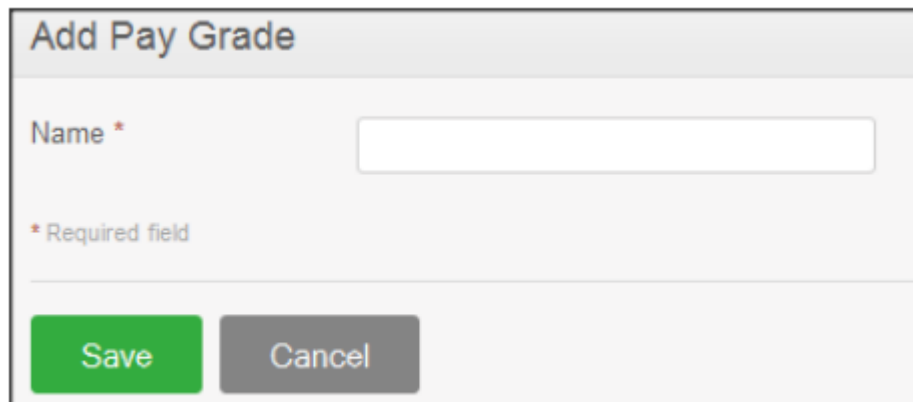

Pay Grades	
<input type="button" value="Add"/> <input type="button" value="Delete"/>	
<input type="checkbox"/> Pay Grade	Currency
<input type="checkbox"/> Level 1	United States Dollar,Utd. Arab Emir. Dirham
<input type="checkbox"/> Level 2	United States Dollar

Figure 1.9: Pay Grades List

To delete a Pay Grade click on the check box next to the “Pay Grade” name. It is also possible to delete multiple entries at the same time by clicking the check box entries you wish to delete and simply clicking “Delete”.

Description

Employment Status allows you to define the status of employment employees are hired for or if they are terminated. To add an entry, go to Admin>> Job>> Employment Status and click "Add" and a screen as shown in Figure 2.0 would appear. Click "Save" once the field is added.

Figure 2.0: Add Employment Status

A list of Employment Status as shown in Figure 2.1 would appear once an Employment Status is added. To edit an employment status, click on the "Employment Status" name.

The screenshot shows a web interface titled "Employment Status". At the top, there are two buttons: "Add" (green) and "Delete" (red). Below these buttons is a list of employment status entries. Each entry consists of a checkbox on the left and the status name on the right. The first entry, "Employment Status", is highlighted in orange. The other entries are "Freelance", "Full time Contract", "Full-Time Permerment", "Full-Time Probation", "Part-Time Contract", and "Part-Time Internship".

Checkbox	Employment Status
<input checked="" type="checkbox"/>	Employment Status
<input type="checkbox"/>	Freelance
<input type="checkbox"/>	Full time Contract
<input type="checkbox"/>	Full-Time Permerment
<input type="checkbox"/>	Full-Time Probation
<input type="checkbox"/>	Part-Time Contract
<input type="checkbox"/>	Part-Time Internship

Figure 2.1: Employment Status List

To delete an Employment Status click on the check box next to the "Employment Status" name. It is also possible to delete multiple entries at the same time by clicking the check box entries you wish to delete and simply clicking "Delete".

Attachments

The screenshot shows a web interface titled "Add Employment Status". It features a "Name *" label next to a text input field containing "Regular Contract". Below the input field, there is a red asterisk and the text "Required field". At the bottom of the form, there are two buttons: "Save" (green) and "Cancel" (grey).

Epic Link: 5.0 Admin Module

Description

In this feature the HR Admin can define work shifts for an individual or a group of employees. To add an entry, go to Admin>> Job>> Work Shifts and click "Add" and a screen as shown in Figure 2.4 would appear. Click "Save" once the fields are added. You may assign employees to the particular shift by selecting the employee's name from the "Available Employees" box and "Add" him/her to the "Assigned Employees" box.

*Note: An Employee list needs to be created first under the PIM Module before assigning employees to a particular work shift.

The 'Add Work Shift' form contains the following elements:

- Shift Name ***: A text input field with the value 'Day Shift'.
- Hours Per Day ***: A text input field with the value '9'.
- Available Employees**: A list box containing the names: Peter Anderson, Jennifer Brown, Russel Hamilton, Kevin Mathews, Anthony Nolan, Ryan Parker, Harshani Silva, and Nick Silverstone.
- Assigned Employees**: A list box containing the name: Mark Boucher.
- Buttons**: 'Add >>' and 'Remove <<' buttons between the employee lists.
- Footer**: A legend '* Required field' and 'Save' and 'Cancel' buttons.

Figure 2.4: Add Work Shift

A list of work shifts as shown in Figure 2.5 would appear once a “Work Shift” is added. To view Work Shift details, click on “Work Shift” name. You may also add multiple entries of work shifts.

The 'Work Shifts' table has the following structure:

	Shift Name	Hours Per Day
<input type="checkbox"/>	Night Shift US	9.00
<input type="checkbox"/>	Day Shift US	9.00

Figure 2.5: Work Shifts List

To delete a work shift click on the check box next to the “Work Shift” name. It is also possible to delete multiple entries at the same time by clicking the check box entries you wish to delete and simply clicking “Delete”.

1. Enter the application <https://opensource-demo.orangehrmlive.com/web/index.php/admin/viewSystemUsers> ;
2. Select the "Admin" module from the left corner of the application;
3. Select from the top left "Job".
4. Access "Job Titles".
5. Go to the list and choose a job title with specification file and open it by pressing the edit button.
6. Go to Job Specification field.
7. Check the box next to delete.
8. Press "Save".

Expected result:

Uploaded job description files can be deleted by the HR Admin.

Actual result:

The system sends an error message and the action cannot be completed and page still loading.

*Agile***Epic Link:** 5.0 Admin Module**Description****Preconditions:**

- User and valid password.
- The list of employees was created.

Test Steps:

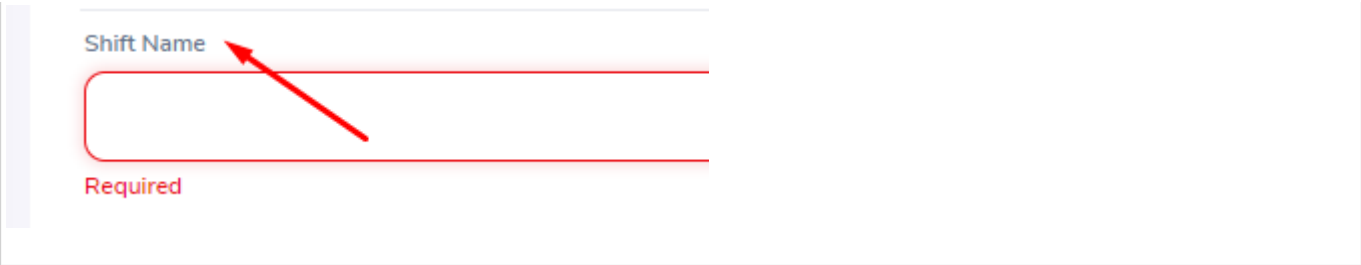

1. Enter the application; <https://opensource-demo.orangehrmlive.com/web/index.php/admin/viewSystemUsers>
2. Go to Admin.
3. Access Job >> Work shifts.
4. Press green button ADD.
5. Press "SAVE".

Expected result;

The Work Shift field is a mandatory field and this is evident in the app with "*" .

**Actual result:**

The Work Shift name is not obvious with * and appears as a required field after you hit save without filling in the field.

*Agile***Epic Link:** 5.0 Admin Module**Description****Preconditions:**

1. User and valid password
2. A list with some Pay Grades was defined

Test steps:

1. Enter the application.
2. Select the "Admin" module from the left corner of the application.
3. Select from the top left "Job".
4. Access "Pay Grades".
5. Go to the list and choose a Pay grade Name without Currency and open it by pressing the edit button.
6. Go to the Currencies field.
7. Press the green ADD button next to currencies.
8. Click on Currency field.
9. Use the down arrow key on the keyboard to move the selection highlight to a currency in the Dropdown menu.
10. While scrolling choose a currency and press Save.

Expected result:

HR Admin can add a currency for the Pay Grade by handling the keyboard navigation in the drop-down menu.

Actual result:

The system sends us an error message and the HR Admin cannot save action .
